(24) As stated by the Accountant General there is discrepancy between the notification and the Memo covering it. The former calls the appointment "Acting" while the latter authorises "Temporary". This is a clerical error and may be rectified by an erratum deleting "to act as" and adding "temporary" after "Deputy Comptroller". Of course this will operate from 11-1-50 to 31-3-50.

27) "Temporary" tenure is admissible and is what is recommended in the then Comptroller's letter dy 25.1.50.

28) In paras 9 & 10 of the notes, orders were sought as to whether Sri Narayana Chetty may be appointed to act as Dy. Comptroller as on previous occasions as against the recommendation of the Comptroller. It is regretted, however, that pointed reference was not made to the difference between the recommendation of the Head of the Deptt. and the modified proposal submitted by the Office for orders. At the same time, although the draft notification was based

on the proposal at para 9, owing to an unfortunate oversight, a clerical error crept into the memo addressed to the Comptroller. It is much regretted that this was not scrutinised before issue of orders. By a similar unfortunate oversight it was not also brought to notice that the Case had to be marked to the Minister for Finance before issue of orders.

29 In order to remedy matters in accordance with the instructions at para 24, it is for orders whether this may be treated as a Council case at this stage and disposed of by circulation.

Government Order No.Fl.3250-309/GF.223-23-2 dated the 18th Decr. 1924 sanctioning the constitution of a Financial Branch in the Education Department with a majority of the hands transferred from the Audit and Accounts Office, under the charge of an officer of the Accounts Department styled as Financial Assistant to the Director of Public Instruction.

2. Letter No.718/Es. dated the 10th September 1943 from the Comptroller to Government stating that the merging of the entire staff of the above Financial Branch with that of the Accounts Department would tend to improve the general efficiency of the Financial Branch of the Education Department and submitting certain proposals to that end.

3. Further correspondence ending with U.O.No.442/Es. dated the 9th August 1949 from the Comptroller to Government in the matter.

4. Correspondence ending with U.O.No.14 of 49-50 dated the 24th August 1949 from the Director of Public Instruction in the matter.

ORDER NO.Fl. 5101-5180 / 4 F 106-49-2.

Dated, Bangalore, 7th January 1950.

The Financial Branch of the Education Department was constituted in 1925 under the charge of an officer of the Accounts Department, who has also been working as Financial Assistant to the Director of Public Instruction. The Comptroller had been frequently urging on Government the desirability of merging the Branch with the Audit Department so that he may have administrative control with a view to improving efficiency and securing independence of Audit. Although under the existing system, the Financial Assistant has the benefit of advice of the Comptroller in audit matters, he and his staff work under the control of the Director of Public Instruction. The Comptroller wrote to Government in 1943 insisting on the need for the merger so as to ensure proper control over expenditure in a large spending department like the Education.

p.t.o.

2. The matter has been under correspondence since then, and in view of the growing expenditure of the department, Government felt that this long pending question of merger should be decided once for all. Accordingly the matter was referred to a Committee comprising of the Financial Secretary (Chairman), the Director of Public Instruction, the Comptroller and the Education Secretary. The Committee met and after discussion, arrived at the unanimous conclusion that the merger should be given effect to. The main principles of the merger are that there will be an Education Audit Office under the direct control of the Comptroller, but independent of the Director of Public Instruction as in the case of the Electrical Audit Office. The staff manning this office will be given the scales of pay obtaining in the Audit Department. It will also be a separate recruiting unit.

3. The Director of Public Instruction on the other hand will have the services of an Accounts Assistant of the status and grade of Assistant Comptroller on Rs.300-25-500 with a small staff for purposes of accounting. This will be the Accounts Branch of the office of the Director of Public Instruction.

4. The Comptroller who was asked to submit proposals has recommended the additional staff necessary for the new Education Audit Office. The existing and the proposed scales are noted below:-

Existing staff.	Proposed staff.
